214	1837 U.S. bronze hard times token graded very fine (small rim irregularities): SUBSTITUTE FOR SHIN PLASTERS [eagle] / MILLIONS FOR DEFENSE, NOT ONE CENT FOR TRIBUTE. Hard times tokens are the result of Van Buren's "Panic of 1837", which came to be known as the "Hard Times", during which U.S. coinage all but disappeared & private parties came forward to provide "money". These tokens are the same size & content of the U.S. large cents of that period.
215	1841 U.S. bronze hard times token graded very fine: E PLURIBUS UNUM [Liberty head] / MILLIONS FOR DEFENSE, NOT ONE CENT FOR TRIBUTE. Hard times tokens are the result of Van Buren's "Panic of 1837", which came to be known as the "Hard Times", during which U.S. coinage all but disappeared & private parties came forward to provide "money". These tokens are the same size & content of the U.S. large cents of that period.
216	1863 U.S. bronze patriotic Civil War token graded very fine: PRO BONO PUBLICO [star] / NEW YORK. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
217	1863 U.S. bronze patriotic Civil War token graded fine/very fine: MILLIONS FOR CONTRACTORS [Indian head] / NOT ONE CENT FOR THE WIDOWS. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
218	1863 U.S. bronze patriotic Civil War token graded about uncirculated: [Indian head] / NOT ONE CENT. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.

219	1863 U.S. bronze patriotic Civil War token graded good: [Indian head] / NOT ONE CENT. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
220	1863 U.S. bronze patriotic Civil War token graded extremely fine: [Indian head] / [crossed cannons with Liberty cap]. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
221	1863 U.S. off-metal patriotic Civil War token graded fine (multiple parallel lines, many of which are raised): [Indian head] / OUR ARMY. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
222	1863 U.S. bronze patriotic Civil War token graded about uncirculated (scratch on cheek): [Liberty head] / ARMY & NAVY. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
223	1863 U.S. bronze patriotic Civil War token graded about uncirculated (raised area in field caused by depression in die): [Liberty head] / ARMY & NAVY. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
224	1863 U.S. bronze patriotic Civil War token graded fine (clipped planchet, as made): [Liberty head] / OUR COUNTRY [shield]. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
225	1863 U.S. bronze patriotic Civil War token graded very fine (obverse digs): THE FLAG OF OUR UNION [flag] / [Liberty head] / IF ANYBODY ATTEMPTS TO TEAR IT DOWN, SHOOT HIM ON THE SPOT, DIX]. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
226	1863 U.S. bronze patriotic Civil War token graded fine/very fine (obverse rim irregularities): THE FLAG OF OUR UNION [flag] / [Liberty head] / IF ANYBODY ATTEMPTS TO TEAR IT DOWN, SHOOT HIM ON THE SPOT, DIX]. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
227	[1863] U.S. bronze patriotic Civil War token graded extremely fine/about uncirculated: [crossed cannons with Liberty cap] / OUR COUNTRY [shield]. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
228	1863 U.S. bronze patriotic Civil War token graded extremely fine (reverse rim damage): FIRST IN WAR, FIRST IN PEACE [soldier on horseback] / UNION FOREVER [shield]. U.S. cents were scarce during the war, so private parties stepped up to create patriotic cent-sized tokens with unifying themes. These tokens circulated as money until outlawed by Congress in 1864.
